2) Light up my life – 2:30 to 4:30

Light, reflection and glitter to brighten your day. Learn a fun new technique to add a real electronic light to your cards. Sunshine and light themes and the flashiest glitter paste ever. These cards are sure to bring a smile.

Saturday August 22

3) All that glitters IS GOLD - 9:00 to 11:00 am

Gold Leafing is all the rage. Two different techniques using special glue and tape to make dazzling metallic beauty. And using the new Sizzix Transfer Pad to turn your dies into “stamped” images like magic.

11:00 to noon is lunch on your own ( Panera Bread and Lonestar Steak are nearby)

4) Keep me in Stitches – Noon to 2:00

Stitching Dies are trending everywhere and we have them all, from stitched scenes, frames, and shapes. There is no actual sewing in this class. Everything is created with a series of dies.

5) Color Beautiful – 2:30 to 4:30

Memory Box Dies are featured with a Gelato watercolor technique. Bright colors, soft edges, die cut shapes and a feminine touch.

Great Impressions: There is more of Louie the duck to love, as he is going BIG this month with front and back stamps AND you can make him “wobble”. Too FUN! We also are loving the bear holding the beehive urging you to Stay Calm at all Times! And who doesn’t like Harry Seizing the Daisies?

No new Northwoods or Inky Antics this month. Look for new releases next month!
