CARD MAKING CLASSES

Friday August 19

1) NO WATER WATERCOLORING – Noon to 2:00

Easy coloring techniques using watercolor pencils. Much more friendly to control than markers. Shading and blending multiple colors is a breeze. And a NO HEAT foiling technique.

2) SLIDERS – 2:30 to 4:30

Not the tiny sandwiches, but fun interactive cards that have characters slip sliding across your card. Adorable Lawn Fawn Stamps and dies will be featured.

Saturday August 20

3) COLOR LAYERING- 9:00 to 11:00 am

Hero Arts has a whole series of stamps that coordinate to easily create a layered painted look. Birds, butterflies, ice cream cones, flamingo, goldfish, seahorses, flowers, pineapple. You will be able to do three of these in class.

11:00 to noon is lunch on your own (Panera Bread and Lonestar Steak are nearby)

4) MEDALLIONS – Noon to 2:00

Cool dies that create stacked beauties. Add glitter, gems, ink, to embellish. One series has matching stamps for even more fun.

5) SCRATCHERS – 2:30 to 4:30

These are so fun. Make cards that have hidden messages for the recipient to scratch off like a lottery ticket. Hide a funny joke for a punchline or a sweet heartfelt message.

All classes will be held in the conference room of the Comfort Inn at Thousand Hills 203 S. Wildwood Drive Branson MO 65616 which is a just a few blocks from the store. Great Impressions:

Vera and Mabel are at it again. This time they have taken to the open road on their motorcycle and sidecar. There is a flamingo floating down the lazy river and an RV packed for the summer trip.

Inky Antics:

A nice collection of message stamps including thanks to our soldiers, encouragement dealing with loss, and the lighter side with funny birthday greetings.

See the photos in the attachment.

Return of Project of the Month:

We have been having so much fun with these 3D build a scene dies from Xcut. They look so complicated, but are actually quite easy. We have made an easy to follow tutorial with the countryside scene. Lots more scenes in stock, beach, forest, ferris wheel, winter, ballroom, jungle and more. Check the website June 2016 Project of the Month.
