Northwoods Christmas:

The have outdone themselves with a beautiful snowglobe, a new nativity, old time winter truck bringing home the Christmas tree, and a fetching squirrel getting the mail.

Northwoods Winter:

Two new snowmen, because you can never have too many, right? Gathering of forest friends is my favorite. Ice skaters and a tractor pull are fresh new designs.

Project of the Month:

Darling little acorn treat box perfect to fill with candy corn or other fall goodies. Uses a new Sizzix die. Make some fun pick-me-up gifts for some special friends. Posting soon to the website.
