July 2018 Project of the Month

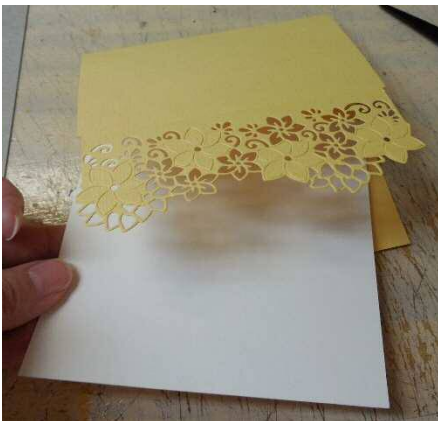

- Find It Trading Die – Clematis Border
- Find It Trading 3D Push Outs – Timeless Flowers
- Yellow and White cardstock
- X-cut Happy Birthday die
- Foam Pop dots

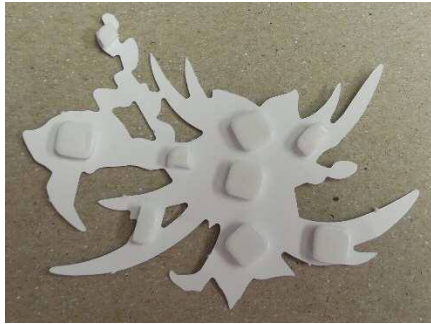

- 1) Cut Cardstock 5 " x 10" .
- 2) Place die on the edge of the cardstock as shown and cut.

- 3) Clear away the residue from the cutting.
- 4) Bend back the petals for a 3D effect.
- 5) Fold panel in half to form card. Cut 5" x 5" white and adhere inside card as contrast for the border front.

- 6) Punch out all pieces of the desired design.
- 7) Lay largest piece face up in front of you.
- 8) Put pop tape on the back of the next largest piece and position it exactly over the same part of the design on the largest piece.
- 9) Continue in the same manner, layering upward as shown above.

- 10) Apply Stick It double stick adhesive to the back of white cardstock.
- 11) Die cut Happy Birthday and peel and stick to card front.
- 12) Adhere 3D flower to card front.
