New Sample Boards

Northwoods has made the transition to cling mounted stamps rather than wood mount. That way you can use them in your Stamp Platforms like the MISTI. Also you get more than twice the stamps for the same amount of money versus the wood kind. We have a Halloween and Fall

collection and a new Christmas collection, all with beautiful samples. Check out the attached photos.

Project of the Month

Deb has prepared a Black Ice technique project for you. This is a fairly simple concept with impressive results. Posted on the website now under October project of the Month!
