Sign up now at www.scrapthepast.com

Tips for signing up for the retreats:

1) If you have a group that wants to be sure you are able to sit together, have one person in your group sign up all of you at once using the quantity box on the online signup page. Your friends will have to reimburse you, but also that way the retreat doesn't sell out before you all get signed up individually.

2) Add Annette@scrapthepast.com to your contacts in your email program. That way you should get the retreat updates without it going to SPAM.

3) Write down your confirmation number that is given to you immediately on the screen after you complete the sign up process. That is the only confirmation you will receive and it guarantees your spot.

4) Remember, the hotel room reservation is directly with the hotel. Contact info is on the retreat page.

5) Pack your bags and plan on having a great time!
