

Scrapbooks Forever March 2019 Newsletter

Happy spring! Or at least spring is just around the corner! With that in mind, it's time for me to let you know that our hours are changing beginning March 16:

Monday – Saturday 9:00am – 6:00 pm

Sunday 10:00am – 2:00pm

Up until March 16, hours remain 10-5 Mon-Sat and 10-2 on Sunday

And since winter just won't let go:

In Case of Winter Weather please call ahead and get a live person on the phone before making a special trip. We make every effort to get the store open, but if there is snow or ice our employee's safety is our main concern.

Sign up now at www.scrapthepast.com

Tips for signing up for the retreats:

1) If you have a group that wants to be sure you are able to sit together, have one person in your group sign up all of you at once using the quantity box on the online signup page. Your friends will have to reimburse you, but also that way the retreat doesn't sell out before you all get signed up individually.

2) Add Annette@scrapthepast.com to your contacts in your email program. That way you should get the retreat updates without it going to SPAM.

3) Write down your confirmation number that is given to you immediately on the screen after you complete the sign up process. That is the only confirmation you will receive and it guarantees your spot.

4) Remember, the hotel room reservation is directly with the hotel. Contact info is on the retreat page.

4) Pack your bags and plan on having a great time!

Project of the month: posted on the website now

With the announcement of Cuttlebug machines no longer being manufactured, I thought it would be appropriate to share tips on cleaning and straightening your cutting plates to prolong their life. I will continue to carry replacement plates for as long as I can get them.
