

Tissue Box Cover

Materials:

3 sheets 8 ½ x 11 cardstock for base

Designer papers, stamps & dies– Heartfelt Creations Tulip collection used on sample

Markers, ink pad and additional cardstock for stamped images

Scor Pal

Oval die and Big Shot machine (or other brand)

Score tape

Decorative cardstock layers: one Top 4 ¼ x 4 ¼ four Sides: 4 ¼ x 4 ¾ (as shown in blue)

Step 1: Create Sides

Cut 2 pieces of cardstock 9 1/2 x 5 1/2

Score on the 9 1/2 side at 1/2" and 5"

Turn once clockwise and score on the 5 1/2 side at 1/2"

Do this to both pieces

Make a miter cut at the 5" score line up to the line. Miter cut the bottom right flap and top left corner. Remove bottom left corner with a miter cut as shown below. Do this on both pieces.

Add score tape to the left edge flap on **the front** and to the **back** of the two bottom flaps. Fold all score lines and fold the bottom flaps to the inside. This gives strength to the box.

Step 2: Create Top

Cut 1 piece of cardstock $5\frac{1}{2} \times 5\frac{1}{2}$

Score at $\frac{1}{2}$ "on all four sides

Add Score tape to all 4 sides between the score line and the edge. Cut off the 4 corners up to the score line with a miter cut as shown below.

Cut an oval centered in the decorative paper and attach to the top as shown. Then cut a slightly smaller oval centered in the box top.

ASSEMBLY:

Remove the tape from one side piece. Line it up with a second side piece and attach.

Remove the tape from one flap of the top piece, center this on the second section from the end of the box. Working around the box, remove the tape, line up with box sides and attach. Remove tape from the last box side and attach to the inside.

Place the cover over a box of tissues and attach the decorative pieces to the sides. You can then decorate the front with a pretty scene such as the one shown on our sample.

(shown below)

Panel on this side is a scenic piece cut from the Heartfelt Tulip paper pad. The cart and fence has been stamped, colored and cut using Heartfelt Tulip Cart and Fence stamps and dies.

Try using different colors, stamps and papers for endless fun making custom tissue boxes for all your friends and family!
