Die cut the Whittle animals using white cardstock. Cut trees in green and olive.

Color the animals referring to the finished photo for placement of the accents. Be sure to leave some white on chests and faces. And add a tiny dot for a nose.

Cut white cardstock $3 \frac{3}{4}'' \times 5 \frac{5}{8}''$.
Cut off the corners to form a tag.
Die cut circles in tag as shown.

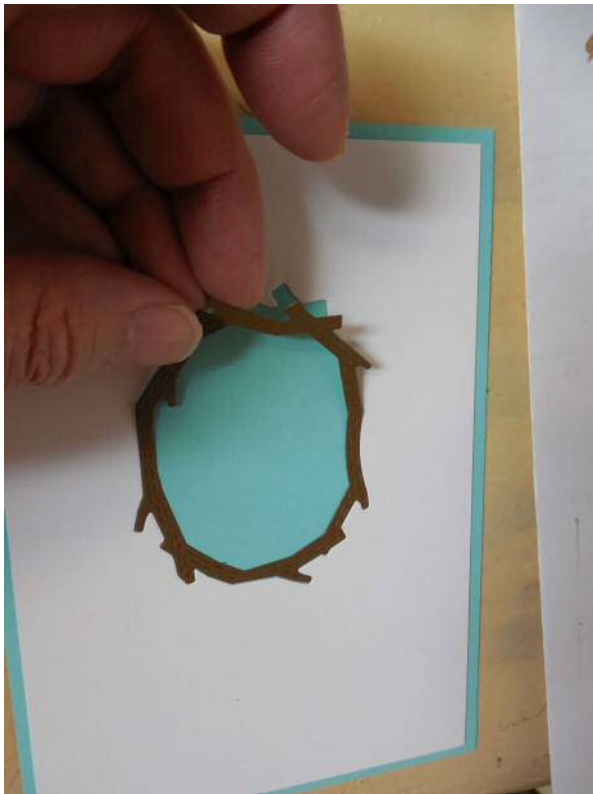

Place Kool Tak or pop tape around back of cut out circle and position scraps of paper to show through the circles. You can also just glue flat if you wish. Mat tag on Aqua cardstock with a 1/8" border.

Using Two-way glue, adhere animals and trees inside circles as shown.
Add message lower right, if desired.
Attach to an A6 aqua card.

Die cut Whittle frame in brown and on a white panel 4" x 5 3/4".

Mat white panel on Aqua, then glue Whittle Frame inside opening, lining up the outline of the die cut.

Color moose just as the other animals were done.

Die cut aqua circle.

Adhere all as shown to the card front.
